

Pakistan Flood Response

Catastrophic floods in Pakistan have affected 20 million leaving more than four million people homeless... (United Nations)

The Christian and Missionary Alliance will be responding through partnership with [World Relief Canada](http://www.worldreliefcanada.org). We will also participate with food aid through other [Canadian Foodgrains Bank](http://www.canadianfoodgrainsbank.org) members who are working in Pakistan.

People can give tax receiptable donations to *The Christian and Missionary Alliance* designated for ***Global Emergency Response Fund*** through a local Alliance church or directly to the National Ministry Centre, including through our website: www.cmacan.org. Click on the “Donate Now” icon on the home page. Donations to the ***Global Emergency Response Fund*** will be used to assist those impacted by the Pakistan flooding and other global emergency needs.

Thank you for your prayers and support for the people of Pakistan.

Blessings,

Joanne
